Truth in New Proverb.

When hot air comes in the door
patience flits out of the window.—Boston
Herald.

Bound to Call Forth Criticism.

A judge who is never worth criticism
is probably never worth anything
at all.

Some Peanuts.

America, even if it were not for the
circuses, eats more peanuts than any
other country in the world. We do
not seem to be even able to supply
our own demand, as during 1907 and
1908 Japan exported 17,000,000 pounds
of peanuts, and the major portion of
them came to this country.

Tragedy in Prison Cell.

Some time ago a whole family was
murdered at Potchep, in southwest
Russia. Two men named Gluster and
Shnakhin were charged with the crime,
and although protesting their inno-
cence to the last the former was
hanged and the latter sentenced to a
long term of hard labor. It was sub-
sequently ascertained that there had
been a miscarriage of justice, and the
real murderers were arrested and tried
by court-martial at Chernigoff and
sentenced to death and were confined
in Chernigoff pending execution of
their sentences. Two of them were
found dead the other day in their cell.
They had been strangled by their com-
panion with a piece of twisted linen.
The three had drawn lots as to which
of them should kill the two others, and
then commit suicide. The man who
lost fulfilled the first part of the bar-
gain, but at the last moment shrank
from doing away with himself.

Constipation brings many ailments
in its train and is the primary cause of
much sickness. Keep your bowels regu-
lar, madam, and you escape many of
the ailments to which women are sub-
ject. Constipation is a very simple thing,
but like many simple things, it may
lead to serious consequences. Nature
often needs a little assistance and when
Chamberlain's Tablets are given at the
first indication, much distress and suf-
fering may be avoided. Sold by ALL
